

Mid-Level Ecologist – NSW

- **3+ years in a NRM field, BAM accreditation (preferable) and previous consultancy experience**
- **Location flexible – Sydney, Wollongong, Mudgee (or other NSW location by negotiation)**
- **Permanent, full time role with remote working opportunity**

Niche Environment and Heritage is a leading multidisciplinary consultancy specialising in ecology, cultural heritage management, environmental management and approvals, and biodiversity offsetting. Established in 2009, we deliver projects to clients across eastern Australia from our eight locations. Our 40+ strong team includes ecologists, botanists, archaeologists, architects and environmental engineers.

At Niche, our focus is on delivering value to our clients' operations by maximising commercial outcomes for projects, while benefiting our communities through creating the best possible solutions for our environment and heritage. We are an independently owned and operated consultancy. Our approach is underpinned by experience and always governed by our core values of Care, Excellence, Integrity and Trust.

Niche has a vacancy in its NSW consulting team for a mid-level ecologist. This position is being offered on a permanent, full-time basis. We are seeking someone with at least 3 years of experience in natural resource management. Ideally you will have BAM accreditation and previous consultancy experience.

Candidates for our mid-level ecologist role should demonstrate the following:

- 3+ years' experience in NRM field.
- BAM accreditation (preferable).
- Experience in application of NSW biodiversity planning framework.
- Previous consultancy experience.
- Strong skills in report writing, specifically impact assessment reporting.
- Strong ecological field survey skills and experience, including plant and community identification.
- Ability to work independently and as part of a team of professionals.
- Well-developed problem solving, analytical, conceptual skills.
- Good interpersonal skills including the ability to liaise with the team, clients and stakeholders
- Competence with technology, including experience with using GPS, tablets, laptop, digital cameras, and the Microsoft Office Suite of products.
- A current driver's licence.
- Aligns with Niche's culture, values and vision.
